

PROGRAMME

ESER Annual Scientific Meeting 2013

Milano, IT

Thursday, June 20, 2013 | 10:30–19:00

09:30–10:30 ESER General Assembly
10:30–11:00 Welcome addresses
 C. Faletti (SIRM President)
 U. Linsenmaier (ESER President)
 G. Carrafiello (Local Host)

Session I: Paediatric emergencies: What the emergency radiologist needs to know

Chair: S. John, Houston/US
 M. Giovanni, Milano/IT

11:00–11:15 Lung and airway emergencies
 C. de Lange, oslo/NO

11:15–11:30 GI/GU emergencies
 S. John, Houston/US

11:30–11:45 Paediatric polytrauma
 V. Miele, Rome/IT

11:45–12:00 Essentials of neuro emergencies and child abuse
 R. van Rijn, Amsterdam/NL

12:00–12:20 Discussion

12:20–12:30 Coffee Break

Session II: Scientific Paper Session - Hot topics in emergency radiology

12:30–13:30 Chair:
 F.H. Berger, Amsterdam/NL
 Scientific Presentations

13:30 -14:30 Lunch Break

Session III: Comprehensive imaging in polytrauma

Chair: S.F. Hatem, Cleveland/US
 G. Cornalba, Milano/IT

14:30–14:55 Company presentation
 tbc

14:55–15:20 Thoracic and diaphragmatic trauma
 M. Rieger, Hall in Tirol/AT

15:20–15:45 Visceral abdominal trauma
 G. Schueller, Buelach/CH

- 15:45–16:10 Retroperitoneal trauma
M. Scaglione, Naples/IT
- 16:10–16:30 Vascular trauma
G. Schueller, Buelach/CH
- 16:30-16:45 ESER Gold medalist 2013
- 16:45-17:00 Coffee Break**
- Session IV: Emergent MSK and sport injuries**
- Chair: G.Schueller, Buelach/GE
 V. Sujit, London/UK
- 17:00–17:20 Company presentation
tbc
- 17:20–17:45 Spinal trauma
C. Schueller-Weidekamm, Vienna/AT
- 17:45–18:10 Major pelvic injuries
F.H. Berger, Amsterdam/NL
- 18:10-18:35 Essentials in upper extremity trauma
S.F. Hatem, Cleveland/US
- 18:35-19:00 Essentials in lower extremity trauma
M. De Jonge, Amsterdam/NL
- 20:00 ESER Evening “Just Cavalli Restaurant”

Friday, June 21, 2013 | 08:30–18:00

Session V: Emergent neuro-imaging for emergency radiologists

- Chair: C. Calli, Izmir/TR
M. Mull, Aachen/DE
- 08:30–08:50 Vascular emergencies head & neck
D. Varma, Melbourne/AU
- 08:50–09:10 CT and MR imaging in stroke (Basics / part1)
C. Calli, Izmir/TR
- 09:10–09:30 CT and MR imaging in stroke (Advanced / part2)
C. Calli, Izmir/TR
- 09:30–09:50 Interventional and medical neurotreatment: what emergency radiologists need to know
D. Morhard, Munich/DE
- 09:50–10:10 Diagnosis spinal ischemia – no man’s land
M. Mull, Aachen/DE
- 10:10–10:30 Emergent neuroimaging - Recent technical developments
Company tba
- 10:30–11:00 Coffee Break**
- 11:00–11:15 The new European Diploma in Radiology (EDiR) and Emergency Radiology
M. Reiser, Munich/DE

Session VI: Acute thorax – Non traumatic thoracic emergencies

- Chair: M. Reiser, Munich/DE
P. Castelli, Varese/IT
- 11:15–11:40 Pulmonary embolism: CTA, perfusion and beyond
J. E. Wildberger, Maastricht/NL
- 11:40–12:05 Acute aortic syndrome
F.H. Berger, Amsterdam/NL
- 12:05–12:30 Acute coronary syndrome
F. Bamberg, Munich/DE
- 12:30–12:55 Triple rule-out strategy
H. Alkadhi, Zurich/CH
- 12:55–13:15 Pulmonary infection
C. Schäfer-Prokop, Nijmegen/NL
- 13:15-13:30 ESER Gold medalist 2013
- 13:30 -14:00 Lunch Break**

Session VII: Acute abdomen: Non-traumativ abdominal emergencies

Chair:	R. Grassi, Napoli/IT O. Chan, London/UK
14:00–14:15	Imaging of intestinal perforation A. Pinto, Napoli/IT
14:15–14:30	Imaging small bowel obstruction: The role of imaging and low dose options K. Katulska, Poznan/PL
14:30–14:45	Imaging of intestinal ischemia: can bowel infarction be predicted? A. Filippone, Chieti/IT
14:45–15:00	Imaging of acute pancreatitis J.M. Artigas, Madrid/ES
15:00–15:15	MDCT-angiography of acute GI bleeding M. Drobotz, Munich/DE
15:15–15:30	Interventional radiology in non-traumatic abdominal emergencies G. Goh, London/UK
15:30–16:00	Discussion
16:00-16:30	Coffee Break

Session VIII: Highlights in emergency radiology

Chair:	C. Fugazzola, Varese/IT M. Patlas, Hamilton/CA
16:30-16:50	Company presentation tbc
16:50–17:05	Acute abdomen in the oncologic patient R. Maroldi, Brescia/IT
17:05–17:20	Imaging of splenic emergencies M. Patlas, Hamilton/CA
17:20-17:35	Rational use of US acute thoracic emergencies S. Ianniello, Rome/IT
17:35-17:50	The leading role of IR when time makes the difference G. Carrafiello, Varese/IT
17:50–18:10	Discussion
18:10	Closing Remarks
